

MARKET NOTICE

Market Notice: 2016_11

Date: 28 September 2016

Subject: Notice of Change to the Electricity and Environmental Product Conventions

Members are advised of the following changes to the Electricity and Environmental Product Conventions that their respective Markets Committees has unanimously agreed to and which have been ratified by the Market Governance Committee.

- Electricity Conventions
 - (2.7) Updated date reference and link to Settlements residue
 - (3.12) Clarify options expiry conventions
 - (3.13.4) Updated refreshed prices convention
- Environmental Product Conventions
 - No changes however the Committee would like to highlight previous changes made to (3.8) Maturity conventions and (3.11) Expiry conventions

Any queries in relation to these amendments should be directed to Mike Chadwick on mchadwick@afma.com.au

About AFMA

The Australian Financial Markets Association (AFMA) is the leading industry association promoting efficiency, integrity and professionalism in Australia's financial markets and provides leadership in advancing the interests of all market participants. These markets are an integral feature of the economy and perform the vital function of facilitating the efficient use of capital and management of risk. Market participants perform a range of important roles within these markets, including financial intermediation and market making. AFMA represents over 120 members, including Australian and international banks, leading brokers, securities companies, state government treasury corporations, fund managers, traders in electricity and other specialised markets and industry service providers.
